THE CITY ADMINISTRA-TION REFUSE TO MOVE.

Their Organ Insults Men who Would Protect their Homes and Families

By Appealing to Party Prejudice and by Charging Occult Motives.

The appeal of the citizens' committee to the mayor and council to clear the city of the dangerous and unlawful element which is nightly robbing our people goes unheeded, and the sentiment which called the meeting of citizens forth is defied. The fact that the movement was solely in the interest of good government and mutual safety. added to the fact that still again night before last the robberies went on as usual, and all reinforced by the plain and undeniable truths set forth in the Eagle yesterday morning, it was hoped that some-thing would be done yesterday.
